Collections and Auctions

THE WRITER of this article has just completed reading a most unusual series of Numismatic History. They are the Auction Sale Catalogues of the various large collections that have been sold in the last fifty years.

IT SEEMS that values were only determined by what a coin would bring at Auction and this same procedure will go on indefinitely.

DO YOU HAVE a collection that you wish to dispose of? You may not have all the rarities that existed many years ago, but you may have the popular collection that the collector of the present era desires. We believe this is the psychological time to dispose of your collection.

WE CAN SELL IT for you at one of our Auction Sales. Our terms are very reasonable; our cataloguing fair and honest, and surely we do have one of the largest mailing list of dealer in the Country.

WHY NOT WRITE US TODAY for a reservation? We also will buy collections from \$500.00 to \$25,000. for cash. May we hear from you?

P. S.—STAMP COLLECTIONS will be sold through our Associate J. W. SCOTT. Same Reasonable Terms.
